

Dear All,

I hope that you are all faring well and keeping entertained? Although all our activities are currently suspended there are some things happening.

On the Group front

The Camera group are sharing pictures on-line.

Pottery has been fired and is waiting for your return.

The Theatre group have been sharing information about their favourite films and plays, so do send yours to Linda via her link on the website if you'd like to.

The Spanish classes have homework + learning modules depending on which group they attend.

Wine group newsletters appear regularly, reminding us of what we enjoy.

I know that some of you have been writing and sharing poems.

There are rumours of a quiz being put together on Zoom.

Would anyone like to volunteer to do a Groups newsletter?

Social Events

Sandy Capelin and her team have a record of all of you who have paid for events. Refunds will be sorted out as soon as we have access to the Arts Theatre and the team can meet up again. The hope is to re-schedule the events but if this doesn't suit then a refund will be made.

Facemasks

Jill Trewella is making facemasks in a substantial material (not hospital quality). Please contact her at jilltrewhella1000@gmail.com if you need one. Jill also needs elastic to continue making them, if anyone can help with that?

Email strings

Please may I remind you that if you are involved in a string/chat/round-robin, that any email addresses should be BCC only – you cannot pass on email addresses in a

public domain. Similarly non-U3A members should not be included in these communications.

Finally from Sandy

Oh dear what can the matter be?

We're all in lockdown from Sunday to Saturday

Only a short walk to help me feel free!

Does anyone know that I am here?

Oh dear how to amuse myself

I have now read every book on my shelf

Even done keep-fit to try to improve my health

How can I can I carry on here?

Oh dear don't be pessimistic

Cos we really know that we all can survive this

We just have to calm and be optimistic

Until we are all Covid free.

Looking forward to hearing from you,

Best wishes,

Pippa.
