

## **Membership 2021**

Its official! There will be not be a charge for membership in 2021, as no objections have been received about our proposal to give all the members a complimentary membership in the coming year. This will be dependent on you completing a form that will be coming out with the ballot papers (see below), confirming your ongoing membership and your wishes in respect to data management.

We have still incurred some costs during this year so if anyone would like to make a donation for 2021 please contact Chris Scott on [chris.scott@staustellu3a.org](mailto:chris.scott@staustellu3a.org)

## **AGM & Postal Ballot**

The committee need your help please.

In April we delayed our AGM, mainly due to Covid and our inexperience in running meetings remotely or by a postal ballot. Some of those concerns are now behind us

and we are going to hold an AGM on January 7<sup>th</sup> via Zoom.

However, to ensure that everyone has a say and the opportunity to participate we are going to be holding a postal ballot for voting purposes.

If you would like to nominate, (and get proposed and seconded) anyone for the committee, now is your time to do this so that the information appears on the ballot paper.

Similarly, if you have any resolutions that you would like to put forward to the AGM, they will need to be proposed and seconded in the same way.

You can reply to me by email or post the information to U3A, c/o 23 Trembear Road, St Austell, PL255NY. Otherwise please contact any other committee member with your proposals. These need to be received by November 30<sup>th</sup>.

There are a number of members standing down, Chris Palmer, Barbara Waddington and myself. New members to the committee would be very welcome and there are several spaces to fill.

The ballot will be delivered either by post or by hand in December with a stamped addressed envelope for ease of your returns.

I look forward to hearing from you

With best wishes

Pippa

## **Christmas Boxes update**

Norma and Shirley have been hard at work, see the pics and message below. They have now completed 10 boxes and are still making them up. None Christmas items such as sponge puddings, jam tarts or cakes, plus gluten free foods would still be welcome. (Not everyone loves mince pies or Christmas pudding).

**Please leave on the doorsteps of Norma or Shirley before the last week in November. The boxes are being**

**distributed around Cornwall from  
December 11th.**

Many grateful thanks to all those that have already donated we have today made up 5 full boxes . We still need to decorate 3 of them.

We are short of tins of meat, any puddings, cake and I know the mince pies don't have a long sell by date at the moment, but any replacement would do like jam tarts . So grateful for your support. Please keep giving. Leave it on the door steps of either Shirley Polmounter – 5 Drinnan Court – Tel: 74173 for directions, OR Norma Jarman – Cuddra Aquatics – Tel: 73298.

Love you all,  
Stay safe

Norma & Shirley

Best wishes and a big thank you to  
everyone who has helped with this project.
