

June 8th 2022 - Walk approximately 5 miles, Holywell/Polly Joke/West Pentire.

This is a stunning walk which began from Holywell N.T. car park in near perfect walking weather.

Following a steep walk up through the dunes from the beach, we followed the coast path around the Kelseys to the beautiful beach of Polly Joke. We then continued around the headland of West Pentire before returning inland where we were treated to a spectacular display of poppies.
