

September 14th 2022. Walk approximately 5 miles. Menabilly/Readymoney Cove/Polridmouth.

The walk began from the car park at Menabilly, following the road back to the little church before joining the delightful Saint's Way. Then we walked along a beautiful woodland path leading to Readymoney cove where most of us enjoyed refreshments from the little cafe.

Whilst enjoying the short break we were treated to the lovely sight of a tall ship sailing out of the bay.

Climbing the coast path from Readymoney we paused to take in the wonderful view over Fowey and beyond before continuing on to Polridmouth where we had our picnic lunch.
